4. DO YOU WANT TO BE PAID WHILE STUDYING TO BE AN ACCOUNTANT?

Some accounting firms offer Cadetships to Year 12 students wishing to study accounting and business at university. They provide students with the chance to gain practical experience while studying. At Ernst & Young students work full-time and study part-time for part of their degree, then full-time study to complete it. Students studying other subjects such as business management, legal studies, economics and IT might also be interested. For information about EY cadetships go to: www.ey.com/au/careers (applications open 20 May, close 21 June, 2013). EY is holding an information session 5.30-7pm on 11 June at their offices, 8 Exhibition St, Melbourne.

5. INTERESTED IN CAREERS IN HEALTH USING TECHNOLOGY?

What about Radiation Oncology? Interested in cutting-edge technology, radiotherapy treatment, fighting against cancer, good communication, patient care/compassion, teamwork or research? Careers involve three areas:

- Radiation Oncologists – must first have a medical degree, then specialise in radiation therapy
- Radiation Therapists – deliver the actual treatment
- Medical physicists – need a science background; use and develop machines, check and calibrate machines and monitor radiation equipment.

Cancer is rising in occurrence as an illness, and multi-disciplinary teams are needed to work with patients. Radiation oncology is about the delivery of precise amounts of high doses of radiation to damage or destroy cancer cells.

RMIT offers Medical Imaging, Nuclear Medicine and Radiation Therapy in their Bachelor of Applied Science (Medical
Monash University offers the Bachelor of Radiography and Medical Imaging.
