WHAT IS THE UMAT?
Results from this test are used as part of the selection process for Medicine at Monash (Clayton). Registrations for UMAT 2015 are now open, and close at 5pm (AEST) on Friday 5 June. The test will take place on Wednesday 29 July 2015. The UMAT Information Booklet is available from the UMAT website: www.umat.acer.edu.au. Practice materials are available through the UMAT website and can only be completed online. There are currently four practice tests available: UMAT Practice Test 1, UMAT Practice Test 2, UMAT Practice Test 3 and Additional Practice Questions. In addition, candidates will have access to free preparation videos once they complete their registration. Some tutorials and a quiz are now available on the UMAT website. Candidates should watch these tutorials and complete the quiz questions before registering for the test.

WHAT KIND OF ENGINEER ARE YOU?

AVALON AIRSHOW
Students interested in a career in the aviation industry might wish to attend the Avalon Airshow. Among other things, you will be able to find out about RMIT’s flight training program, aerospace and mechanical engineering programs. When: 24 Feb – 1 Mar, Where: Avalon Airport; Info: www.airshow.com.au/airshow2015/

VETERINARY NURSING ASSOCIATE DEGREE
Melbourne Polytechnic (formerly NMIT) (Epping campus) is offering a new 2-year associate degree, the first para-professional veterinary nursing qualification in Australia. It is designed to produce highly skilled clinicians with exceptional levels of practical skill, knowledge and in depth understanding gained through a stimulating exploration of the academic underpinnings of the field. Graduate employment will be in the private and public sectors, including veterinary practices as veterinary nurses and practice managers and in large organisations (veterinary pharmaceutical, veterinary nutrition companies and animal research facilities). Prerequisites: Successful completion of Year 12 VCE or recognised equivalent with a study score of at least 20 in any English and a study score of at least 20 in one of any Mathematics, Chemistry or Biology; OR successful completion of a Diploma course in Veterinary Nursing or a related area; OR at least two years of related industry experience.
