CAREERS NEWS MARCH#2, 2016

HOLIDAY PROGRAMS AT NICA
The National Institute of Circus Arts (NICA) is auspiced by Swinburne University and the only training institute of its kind in Australia. As well as providing professional training through a three-year Bachelor of Circus Arts and foundation programs, NICA also offers a wide range of fun and safe recreational courses for children, teenagers and adults. Over the upcoming autumn school holidays, NICA has a number of programs on offer where students get to learn juggling, tumbling, mini trampoline, static trapeze, aerial ring, hula hoops, tight wire and more! To enrol in one of these programs, visit Holiday Programs at NICA.

YR 12 CAREERS APPOINTMENTS
Oddly, the most productive conversations about career pathways can often happen over term holidays! If you would like an appointment, email me to make a time during term break.

SWINBURNE UNI DESIGN FACTORY
Swinburne Design Factory is part of the Global Design Factory Network – a global network of universities offering innovative education, research and partnerships. This network brings together students, industry and researchers to co-create for extraordinary results. The aim is to turn ideas into reality.

The projects offer students new and unique experiences, challenging team members to move outside of their comfort zone in order to create innovation and new thinking. Over the course of a project, students gain valuable skills that can set them apart in the employment market, assisting with competencies such as:

- interdisciplinary team work
- communication and collaboration
- project management
- creative problem solving
- client interaction

The Global Design Factory Network includes:

- Aalto Design Factory at Aalto University, Helsinki, Finland
- Aalto-Tongji Design Factory, at Tongji University in Shanghai, China
- Duoc Design Factory at Duoc UC, Santiago, Chile
- Frisian Design Factory, NHL University of Applied Science, Netherlands
- IdeaSquare at CERN research centre, Switzerland
- PACE University, New York
- Philadelphia University, Philadelphia
- Porto Design Factory at Porto Polytechnic in Porto, Portugal
- Riga Design Factory, Riga Technical University, Latvia

ZOOKEEPER FOR THE DAY HOLIDAY PROGRAM

Students might like to consider participating in one of the following programs taking place throughout the upcoming Easter holidays -

Werribee Open Range Zoo’s Keeper for a Day program - Werribee

Healesville Sanctuary’s Vet for a Day program - Healesville VET for a Day

Healesville Sanctuary’s Keeper for a Day program - Healesville KEEPER for a Day

Bookings and queries can also be made to (03) 9285 9406.

RMIT DIGITAL COURSE BROCHURES

RMIT has an exciting simple-to-use online tool allowing students to create their own personalised RMIT course brochure in minutes. International and local students can use My Brochure to explore RMIT’s vocational, undergraduate and postgraduate courses. Potential students can then add relevant extra information (from facilities to funding) before their personalised brochure is emailed to them.

For more information and to create a personalised brochure visit RMIT Personalised Brochure

RMIT SCIENCE IN THE CITY LAB TOURS

Students and parents are invited to visit RMIT’s state-of-the-art learning laboratories to learn more about the programs on offer, and the research and training facilities available. Students will also find out more about a wide range of science degree programs available at the city campus including: biology, biotechnology, chemistry, environmental science, food science, nanotechnology and physics.
Date: Wednesday 30 March 2016
Time: 11.00am – 2.00pm
Venue: Building 3, Level 1, Applied Sciences Reception, RMIT City campus

This is a free event but registration are important. Register at Science in the City
